Chapter 4: The Enemy

1. Since Satan’s fall, what is his reputation on earth? Discuss his various names and characteristics given on p.1.

2. Every culture has its gods. Who do historian and the Bible say are the gods? Discuss the 10 names given for these gods on page 1.

3. Although every culture claims a different god, how are they all the same?

4. How is Satan thought of in our secular modern age? How does not believing Satan exists bolster his agenda?

5. What grand theme of Scripture will be missed or overlooked if Satan’s existence is denied?
Chapter 4: The Enemy

6. The Bible recognizes Satan as the enemy of God and the originator of iniquity and evil. Discuss from pp. 25-26 who Satan was before he became Satan and what role he played in God’s kingdom. Refer to Isaiah 14:12-15 and Ezekiel 28:12-16, and Revelation 12:3-9 on who he was before his fall and what he became after it.

7. Discuss: is there any way to satisfactorily explain the entrance of sin into heaven?

8. Discuss the results to our world of God’s law of love being intercepted by Satan. Refer to p. 28.

9. Everyone (including children) have been affected by Satan’s war on God’s law of love. People are free to choose whose principles they will follow, whether God’s or Satan’s. Discuss the importance of finding out as much as one can from Scripture about this controversy in order to make the most enlightened choice.
